**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to let you know that this decision to eliminate Bridge 2 Broadband affects me because my home internet provider is Sonic, which uses unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace. Without access to UNE services, Sonic wouldnt have been able to connect me to the internet while they build their fiber networks.

It is very important to me that I have a choice of internet providers and I am afraid that if you rule against carriers such as Sonic then competition will be eliminated in my area. This will undoubtedly raise prices and decrease the level of service that my family and I rely on.

I urge you to maintain competition and low prices by preserving Bridge 2 Broadband.

David Becker
